Apex HIGH PERFORMANCE JUICING

JE720 800W 3.0 litre

The JE720 is a high performance juicer showcasing Kenwood's new Apex technology. Apex is Kenwood's 'advanced pulp extraction' technology which means it's cleaner, ergonomically designed, and more efficient. JE720 features include an XXL feed tube and patented anti-drip, taking the pain out of enjoying fresh fruit and vegetable juice. The high gloss plastic and efficient 800W max power motor provides the quality reassurance of Kenwood product.
